TECHNICAL

WORKING

LEARNING

improve TECHNICAL SKILLS
related to interactive media

refine PRESENTATION techniques

PLAN activities and time

improve TECHNICAL ENGLISH skills

DOCUMENT project development on the internet

document the CHANGES
in time/activities planning

PRACTICAL   THEORETICAL

refine the DESIGN-REDESIGN process

develop CRITERIA FOR ASSESSING/INTERPRETING
works on a more theoretical/objective basis

PROGRAMMING: develop a new
non-visual approach to design

CONTEXTUALIZE work into
current design&art scene

explore INTERACTIVE NARRATIVE

explore CREATIVE TECHNIQUES to improve
brainstorming and decision making

support design concepts with
TOPICAL ARGUMENTS/ISSUES

THINKING

RESEARCHING

CONCEPTUAL
